FYI,

Yesterday at the **Albany Musicians' Union** annual joyously swinging **Jazz Appreciation Month** Event at the Colonie Elks Club I was very honored & moved to be included, along with two other very experienced music writers for the Times Union, Metroland & Nippertown.com (Greg Haymes & J Hunter) in the recognition for our writing in support of Jazz over the years (see **attached** certificate).

Tom (always very happy to spread the Jazz Gospel).
